

## School-Community Partnerships Teacher Survey

In community schools (i.e., CLCs), a Community Development Agent (CDA) works closely with school principals and staff to develop generative school-community partnerships that respond to the holistic needs of students, families and communities.

Please take a few minutes to complete this short survey. Your responses will help to inform the types of partnerships that are developed.

**Name:**

**Grade/Cycle:**

**1) In what ways would you like to see partnerships support students at XYZ school?**

**Please select three of the options below.**

1. Focus on early childhood education to increase kindergarten readiness;
2. Focus on nutrition to help foster healthy eating habits;
3. Focus on exercise by increasing opportunities for students to get moving over lunch and after school;
4. Focus on meeting students' socio-emotional needs by increasing their access to caring adults from the community;
5. Focus on student engagement by helping teachers to develop innovative learning opportunities (e.g., Community Service Learning projects, local content experts)
6. Focus on career exploration opportunities and work-readiness;
7. Focus on facilitating transitions (e.g., getting students ready for high school or CEGEP)

8. Other:

**2) In what ways would you like to see partnerships support parents, staff members and adult community members? Please select three of the options below.**

- Promote healthy lifestyle habits (e.g., offer cooking classes, yoga);
- Offer workshops for parents (e.g., cyber safety, anti-bullying, homework support);
- Offer Lifelong Learning opportunities (e.g., English Second Language /French Second Language classes);
- Help to reduce the isolation of seniors in our community (e.g., create more intergenerational projects);
- Facilitate awareness & access to health and social services in the region;
- Help secure pedagogical resources for staff (e.g., project planning tools, workshops for educators by educators showcasing effective strategies)

Other:

**3) In your experience, what is the best time to host activities/programs at XYZ School that are open to the whole family?**

- Right after school
- In the evening

Other:

**4) Who could we potentially partner with? Who is in your network? Are there any local organizations or community members you would recommend the Community Development Agent (CDA) approach to support the school and/or community?**

**5) We are beginning to develop a plan for partnership and resource development. Would you be interested in participating in planning sessions with other staff members and community partners?**

- Yes, I would like to take part in a planning session
- No, I am unable to take part in a planning session

**6. Is there anything that you would like to add?**
