

# Working that intro!

Things to include in my intro,  
and a place to draft a few!

Date ..... Subject .....

Name .....

## Opening statement ▼

**A broad, general statement that piques the reader's interest.**

List some possible opening statements, facts, quotes, etc. ►

- 
- 
- 
- 

## Overview of main ideas ▼

**The ideas my essay covers... without the details, without the content**

List the main points, the main sections in my essay ►

- 
- 
- 
- 
- 

## Thesis statement ▼

**Jot down your thesis statement here.**

Remember, the thesis statement is the essay's main point, that you developed after much thought.

Refer to LEARN How To on developing a Thesis Statement!

- 

## INTRODUCTION drafts ►

Use the second page to draft out some introductions. Try a different approach on each try.

Look back at them later with fresh eyes to see what is the best way to start your essay!
