88% (44) of CDAs attend les tables de concertation; they are the only voice representing the Anglophone community.

BAL = Broad Areas of Learning
 CCC = Cross curricular competencies
 CDA = In CLC schools, a community development agent is responsible for building school-community partnerships that can help meet the needs of English speaking students, families and communities.

All students benefit from a community approach.

Principal, CQSB

... the community bring[s] a variety of informal and formal learning opportunities to our school.

Community Development Agent, LBPSB

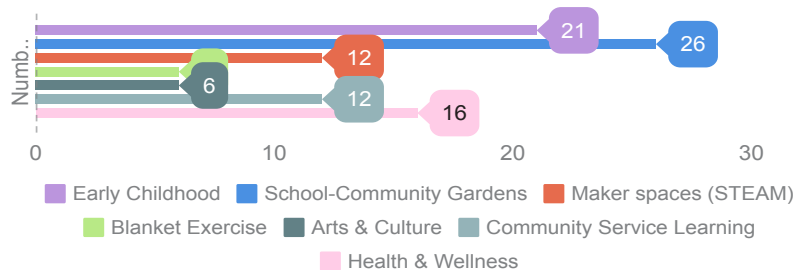

*These figures are based on reports submitted by CDAs in May and June of 2017.

LEAN ON LEARN

LEARN's Provincial Resource Team (PRT) is proud to support the ongoing development of the CLC Initiative

How many schools pursued strategies featured at this year's conference?

...knowing that I can depend on their creativity to continually move forward (and avoid getting stuck) is very reassuring.

Community Development Agent, ETSB

We truly feel like you want the best for our projects and our school.

Vice Principal, EMSB

90+

CLC school visits (individualized support to CLC schools)

On May 31st, the PRT met with

20

regional and provincial organizations to further develop resources and partnerships for the CLC network
