### Things to consider...

"Tell me and I'll forget; show me  
and I may remember; involve me  
and I'll understand."

~

"Toes: Devices for locating  
furniture in the dark."

~

"I know that you believe you  
understand what you think I said,  
but I'm not sure you realize that  
what you heard is not what I  
meant."
