

WALKING TRAILS/ MURALS

We have several breath taking lookout points. . .

-PRIEST'S HILL & MUTTON BAY WALKWAYS (OFFERS PANORAMIC VIEWS OF THE GULFE OF ST. LAWRENCE)

-POINTE-AUX-NEIGES PARK (PICNIC AREA AND WHALE WATCHING SITE)

There are a total of 21 murals (each panel is 4' x 8') that are placed in various locations around Gros Mecatina. These murals depict the daily lives, dreams and diversities of the *past and present* communities of La Tabatière and Mutton Bay.

Built by the people of Mutton Bay, St. Clement's Church celebrates 75 years since its consecration and is an exact replica of its sister church in Rose Blanche, NFLD. Across the Mutton Bay Harbour is home to the cemetery known to the locals as "Graveyard Island". Graves date back to the early 1800's and is only accessible by boat
