

Journalist

Your task:

Read passages #3, 4 & 5 to your group.
Make note of the dates of the diary entries and the family's location for passages #1-5.

rchivist

Your task:

Keep a log of the family's possessions. What did they bring with them? What is acquired and what is lost/sold during their journey?

Geographer

Your task:

Use a map to trace the MacDonald family's journey from Albany to Johnstown. Choose the map that is most appropriate to the task from the selection that is provided to your group. Keep track of the time that it took the family to travel to their destination.

Your task:

With the images provided, create a visual timeline to illustrate points along the MacDonald family's journey from Albany to Johnstown. Use the image log to record the location of the image and the date that the family traveled/stayed there.
