## Looking for housing in Montréal

Who is this? Write down your hypothesis.

\_\_\_\_\_

## Looking for a roof over my head

Budget-related information

### Findings (homework)

Telephone and Internet (Bell): \_\_\_\_\_

Electricity and heating (Hydro-Québec): \_\_\_\_\_

Cable television: \_\_\_\_\_

Groceries/month: \_\_\_\_\_

What is your fictional salary?

\$ \_\_\_\_\_

In teams of two, try to find an apartment that suits your budget and the living situation you were assigned.

Do the following calculation to be able to prepare a real budget:

Telephone and Internet: \$ \_\_\_\_\_

Electricity and heating: \$ \_\_\_\_\_

Cable television: \$ \_\_\_\_\_

Rent: \$ \_\_\_\_\_ Borough: \_\_\_\_\_

Groceries/month: \$ \_\_\_\_\_

**Total basic expenses:** \$ \_\_\_\_\_

To find out what you will have left every month for everything else (entertainment, transportation, medication, etc.), subtract your total basic expenses from your monthly income:

**Monthly income:** \$ \_\_\_\_\_

**Total basic expenses:** \$ \_\_\_\_\_

**What is left:** \$ \_\_\_\_\_

What are the two main problems you noticed when looking for housing in Montréal?

1. \_\_\_\_\_

2. \_\_\_\_\_
