

SOS LEARN is back!

Did you know that LEARN provides FREE online tutoring four nights a week with subject specialists?

All your child needs is a LEARN user name and password and an internet connection.

Registration opens October 13 (ongoing through the entire session.)

Tutoring is available starting October 19.

Available subjects:

- **General Elementary Homework Help (cycles 2 and 3)**
- **Math - Secondary cycle 1 and 2 (all levels)**
- **ELA – secondary cycle 1 and 2**
- **Français Langue Seconde – secondary cycle 1 and 2**
- **History and Citizenship**
- **Science and Technology**
- **Chemistry**
- **Physics**

To register,

- go to www.learnquebec.ca

- enter username and password (available from your school)

- click on GO Tutorial Registration, complete and submit the form

Once LEARN has received the registration, the student will receive information from LEARN via e-mail about how to access the service.
