# Task 1

Hello and welcome to the Classroom Connections project!

The Classroom Connections project is made up of a series of tasks or challenges between your class and another WOTP class in the province.

If you are using a laptop, access the Internet through either the Chrome or the Safari browser.

Go to: <https://www.haikudeck.com/>

If you are using an iPad or tablet download the app “Haiku Deck” and you are ready to go!

- ✓ Once your Haiku Deck is done you don't need to do anything as it will automatically be saved to the site.
- ✓ Email your sister class to tell them that your Haiku Deck is ready for viewing and ask them to send you feedback about what they thought of your deck!
- ✓ Don't forget to tell them the title of your deck so that they can be sure to find it!
- ✓ Be sure to give them feedback about their deck as well!

Due Date: I would like all Haiku Decks to be  
completed and commented on by  
**FRIDAY, JANUARY 23<sup>rd</sup>**

After this date, I will send you your next  
challenge...

hint: “why are your scratching so much?”

See you next time!  
Ms. Wheeler
