

# Think Big

Brainstorm your project freely and with limitless possibility

The goal here is to think about your project without restrictions. Be free of limitations like time and money and let your ideas flow.

"Concretely, my students would be doing/making/creating  
-----"

"In the best case scenario, I want my students to leave this experience with  
-----"

How will this project impact the community?

In an ideal world, WHO would be part of this project?

HOW is the community involved in this project? WHAT are people doing/bringing?

How can this project grow and expand over time? What is the minimum and what is the maximum?
