

Annual Bean Supper 2019

Baie-Comeau High School

The annual Bean Supper is a festive occasion where all students, their families, and school alumni gather with community members of all ages in a familiar setting: Baie Comeau High School!

The Right Honourable Brian Mulroney and Mila Mulroney attended the event to meet and greet 147 excited participants. The former Prime Minister spoke of his youth and growing up in Baie-Comeau, the importance of a solid education, and the need to remain true to family and community. This sentiment was echoed during the event as students, teachers, staff members, the band Arkansas, EMCN and the Home & School Association, all came together to make this activity a huge success.

The annual Bean Supper is a time-honoured tradition in Baie-Comeau. It is an opportunity for students to see teachers and staff in a social setting, to listen to stories from community members, and learn about the living history of the school and the English Speaking Community of Baie-Comeau. This experience helps foster a sense of belonging to the school and the community, and everyone looks forward to it, year after year. The event also raised \$1900 for extra-curricular activities and bursaries for students.

The Right Honourable Brian Mulroney stating, "If I, a guy from Baie-Comeau, can become the Prime Minister of Canada, imagine what YOU can achieve."

BCHS is the only English speaking school of Baie-Comeau. There are 50 students from pre-kindergarten to Secondary 5. As for myself, I have only recently joined the school as a Community Development Agent, and I am already looking forward to playing an active part in the Community Learning Centres network.
