Planning a Podcast

Beginning, middle and end of your audio recording project

Beginning

How are you going to start your recording so that you catch the attention of the listener?

Will you start with...

- A question,
- A comment,
- An interesting fact?

Middle

What facts are you going to be telling your listener? Think about the order that they should be placed in.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

End

How will you end your podcast? Will you ...

- restate your important fact,
- ask another question,
- give an opinion?

.....

.....
